**Course Name: Mobile Computing for Modern App Development**

**Course Code: CSA0302**

## Q: BUS BOOKING APPLICATION

The screenshot shows a mobile application interface for a bus booking system. The layout is as follows:

- Left Sidebar:** Contains a logo with a yellow bus on a blue background and the text "Bus Booking". Below it is a blue button labeled "REGISTER". At the bottom, it says "Already a user? LOG IN".
- Central Area:** Features a "welcome back !" message. Below it are input fields for "Username" and "Password", each with a corresponding icon (person and lock). A "Forgot password ?" link is present. A blue "Login" button is at the bottom. Below the login section, there are social media login options for Facebook, Apple, Google, and X. At the very bottom, it says "Don't have an account? Register Now".
- Right Sidebar:** Shows a user profile for "Dinakaran" with a bell icon. Below this are tabs for "One way", "Round", and "Multi-city". The main section displays a search form with "From" (CHENNAI CHE Central Railway Station) and "To" (KERALA KL Thiruvananthapuram Central Station). It includes fields for "Departure" (26/May/2023) and "Return" (+ Add Return Date). Below these are "Traveller" (1 Adult) and "Quota" (General Quota) fields. A blue "SEARCH TRAIN" button is at the bottom. At the very bottom, there are "Hot offer" banners for Mastercard (25% OFF) and Visa (33% OFF).
